

## Airman Certification Standards (ACS) Explained (ID69)

The Airman Certification Standards bring substantial improvements to the certification process. This webinar will provide some background on how the ACS was developed and then explain how the ACS is used during both knowledge tests (AKA written tests) and the practical tests.

**Directions:** Preregistration is required by visiting <https://attendee.gotowebinar.com/register/2894738516555694593?source=FAASafety>

We are limited to 1,000 attendees per webinar. If you attempt to register and see a message that the webinar is full, please try another webinar offering. All of our webinars are listed at [FAASafety.gov](http://FAASafety.gov). You may also try registering a few hours or minutes before your preferred webinar as some people will cancel their registrations.
